Tighten all locks to secure the cabinet

Tighten all locks to secure the cabinet

A close-up photograph showing a person's hand, wearing a black sleeve, using a small metal tool to tighten a lock on the corner of a white cabinet. The cabinet is composed of several white panels meeting at a corner. The background is a plain, light-colored wall. The text "Tighten all locks to secure the cabinet" is overlaid at the bottom of the image.
